

Finally...

An advanced fabric protection system for carpets, rugs, upholstery, wall coverings, leather, furniture and much more...

“Fiber-Shield® works miracles! It's safe, effective and carefully applied by skilled technicians. It doesn't change the hand of a textile or its color.”

- Linda Blair, ASID

An Artisan Approach for Protecting Fine Fabrics and Textiles

Fiber-Shield®

Fabric Protection System

Protecting the Materials that Enrich Our Lives™

NEW YORK CITY WESTCHESTER GREENWICH THE HAMPTONS

Experience Fiber-Shield®

A total-cycle care system that protects your delicate rug, carpet, upholstery, leather, fabric, textiles and more with the patented power of Fiber-Shield®. Experience peace of mind knowing that your rug and fabrics are protected from everyday wear and spills that can permanently harm these priceless possessions. No other company offers complete care and service for your fabrics like All Clean does! Maybe that is why The Franklin Report has rated us 4.5 stars for quality, service and excellence.

A Total Cycle Care System

Our "Total Cycle Care" Fiber-Shield® system is designed to retain that new installation look for years of enjoyment in a clean and healthy environment. Fiber-Shield® fabric protection is hands down the proven protectant recommended by interior designers, architects and textile professionals throughout the U.S.. Only one company offers this to their clients - All Clean Carpet, Inc..

Fiber-Shield® Benefits:

- 100% safe
- Non-flammable, Non-toxic
- Hypoallergenic, Odorless
- No change in color
- No change in texture or feel
- Reduce wear to the fabric
- Safe for children and pets
- Provides soil release for ease of cleaning
- Protects against staining, fading and abrasion

Fiber-Shield®

Technology Advantage

Applied by Certified Technicians

Fiber-Shield® patented fabric protectant is applied by All Clean's certified trained technicians - the same full-time technicians who will be at your home to perform "emergency maintenance" or "precision cleaning" of your most delicate fabrics and textiles (rugs, carpet and upholstery).
